

More Than Funding: Family First's Role in Enhancing Service Delivery for At-Risk Children and Families

OCTOBER 4, 2021

- Family First- Implementation July 1, 2021

Family First Alignment with Strategic Goals

- Proactive partnerships with families (In-Home Services)
- Increase EBS for children/families
- Reduce the number of youth entering foster care
- Reduce the number of youth who need congregate care placements
- Reduce the number of youth aging out of foster care

How can you support these goals?
